

DRIVE FOR DRAVET

Cure Dravet

Dear Prospective Donor/Vendor:

We are proud to announce the First Annual Drive for Dravet Golf Tournament will be held on December 5th, 2025 at Costal Del Sol Golf Course in Miami, Florida.

This event is held in honor of my brother, Otto, whose strength and spirit inspire us every day. We are seeking sponsors and donors to help make our inaugural tournament and fundraising efforts a success.

Together, we can drive toward a cure, one swing at a time.

Why Drive For Dravet?

The First Annual Drive for Dravet Golf Tournament is more than just a day on the course, it's a chance to make a real impact for those living with Dravet Syndrome. This event is held in honor of my brother, Otto, who is 22 years old and lives every day with this rare and life-altering condition. Dravet affects every aspect of his life, from speech and mobility to cognitive development. Otto is wheelchair-bound, oxygen-dependent, and requires 24/7 supervision. He experiences frequent, severe, and life-threatening seizures that can happen without warning, making every day unpredictable.

Dravet Syndrome is devastating and rare, and because it affects only a small population, it receives limited funding for research. All families with a loved one living with Dravet face daily challenges, and nearly a quarter of children with Dravet do not reach adulthood. The Dravet Syndrome Foundation is committed to funding research and improving lives, but they rely on the generosity of supporters to continue this crucial work.

By sponsoring Drive for Dravet, you have the unique opportunity to be part of a movement that brings hope and real impact. Your support will help fund research, provide essential resources, and raise awareness for this life-altering condition. Sponsors will be recognized on our website, social media, event banners, flyers, and during the awards ceremony.

All contributions beyond the cost of hosting the tournament go directly to the Dravet Syndrome Foundation, a registered 501(c)(3) nonprofit, making your donation tax-deductible.

Join us in making this inaugural event a success. With your help, we can drive hope, fund research, and make a meaningful difference in the lives of those living with Dravet — just like Otto.

Thank you.

Sincerely,

Beatriz Rodriguez
